CRIMINAL BACKGROUND CHECKS FOR UNDERGRADUATE STUDENTS

All incoming Undergraduate students (includes transfer students, RN-BSN and accelerated second career BSN students) are required to complete their criminal background check through CertifiedBackground.com. by August 17, 2009 deadline.

CertifiedBackground.com is a service that allows students to purchase their own background check and manage their immunization records. The results of a background check are posted to the CertifiedBackground.com web site in a secure, tamper-proof environment, where the student, as well as School of Nursing representatives can view the background check and immunization records.
