

SHORT-TERM EQUIPMENT LOAN

1. Lab (diagnostic tools/simulators) equipment may be borrowed from the School of Nursing Clinical Simulation Labs by completing appropriate *Short Term Equipment Loan*. Standard loan time will be for 24-48 hours, subject to change.
2. User accepts full responsibility until returned to the Clinical Simulation Labs, room 1221.
3. Repair or replacement charges will be assessed for damages/loss or theft of equipment that occur while on loan.
4. All equipment must be returned by due date; Users are subject to loss of further loanout privileges until overdue equipment is returned.
5. All equipment must be returned to the Clinical Simulation Labs, room 1221 by the last day of current semester. Students holding overdue equipment may be subjected to placement of a *hold status* on course grade until return or reimbursement is made. Additionally, students may be deferred from registration for the following semester.
